学院概况 SCHOOL PROFILE

安徽师范大学教育科学学院 2000 年 3 月由原教育系、教育技术学系和高等教育研究室合并组建。教育系是 1928 年我校初建时期的文法学院中四个系科之一，也是我省高校历史最悠久的系科之一。

学院设有教育学、学前教育、教育技术学、心理学、小学教育和中美学前教育等 6 个本科专业，教育学和心理学 2 个一级学科硕士学位授权点，教育学一级学科博士学位授权点、心理语言学二级学科博士学位授权点，并拥有教育管理 etc 5 个方向的教育硕士专业学位授权点和中美现代教育技术硕士“2+1”合作培养项目。

学院秉持“学思并重、知行合一”理念，以党建工作作为引领，以内涵建设为主线，实施以“育人、育才、育心”为中心的整体发展战略，构筑“学生、学术、学科”一体化发展体系。90 年来，学院培养了众多优秀人才和行业精英，涌现出以王策三、石中英、李正、李军等为代表的杰出校友。学院现已发展成为安徽省教师教育“母体”、基础教育“母机”的标志性学院，成为安徽省教育学科人才培养、知识创新和社会服务的中心和龙头。

The School of Educational Science of Anhui Normal University was established in March 2000 by the combination of the former Educational Department, Educational Technology Department and Higher Education Research Office. The Department of Education is one of the four departments of the School of Grammar in the initial construction period of our university in 1928, and also one of the departments with the longest history in our provincial universities.

The school offers six undergraduate programs: Pedagogy, Preschool Education, Educational Technology, Psychology, Primary Education, and Sino-US Preschool Education. It is awarded the rights to confer two first-level discipline master's degrees in Pedagogy and Psychology, one first-level discipline doctoral degree in Pedagogy, and one second-level discipline doctoral degree in Psycholinguistics. Additionally, the school is granted with the right to confer five master's degrees in Professional Education, including Educational Management, and one “2+1” Sino-US cooperative postgraduate program in the field of Modern Educational Technology.

Our school upholds the concept of “Equality of Learning and Thinking, Unity of Knowledge and Action”, takes the party construction work as a guideline, makes the connotation construction as the main line, implements the strategies of “Cultivate People, Cultivate Talents, Cultivate Minds”, and constructs the integrated development system of “Students-Academic-Subject”. During the past 90 years, the school has cultivated many excellent alumni represented by Wang Cesan, Shi Zhongying, Li Zheng and Li Jun, etc. The school has developed into an icon as the the “matrix” of teacher education and the “mother machine” for basic education in Anhui and become the center and leader of talents cultivation, knowledge innovation and social services in Anhui educational discipline.
